

Date : 1 July, 20

Name of Candidate : Ameya Abhay Chavan

Address of Candidate : D/22, Chintamani Residency, Near Lake Town, Chaitraban, Bibwewadi, Pune.

Dear Ameya,

I am pleased to inform your acceptance of an internship position as App Developer - Web Developer in **Flutter Developer & Front End Development**. In addition to your duties outlined in the interview, you will report to your higher authority.

We would like to congratulate you on being selected for the internship with our organisation. Your internship is scheduled for a period of 3 months. Following based on your performance & skills you may get full time Internship offer from the company. Your work will be a bit flexible as per the regulations of home internship and we believe in assigned project / task completion method.

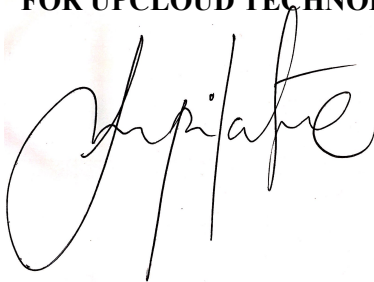

This offer is contingent upon completion of a the Flutter development course and further with the certification of the same. With this we are pleased that you have decided to join **Upcloud Technology Pvt.Ltd**. We look forward to you with this opportunity till sept, end. & offer a very warm welcome.

During the Internship, you would be assigned tasks and projects that improve your understandings of the concepts you learned in college also based on your personal & professional skill set, to learning and having a exposure of how its like to work for a Early Staged Startup, understanding the entire industry and a field of resource for the same. & therefore you would be expected to put your best efforts in executing the projects allotted to you.

During your internship, you will have an access to company's clients and confidential information. You agree that you will keep all this information and client information strictly confidential and will not share it with anyone outside the company. You will not use it for your own benefits and on completion of the internship; you will return documents, equipment, and all property of the company.

Best Regards
